Product Discontinuation / Last Order Notification PA-CONTROL Touch

Dear Business Partner,

We take this letter as an opportunity to inform you about the delivery situation of the positioning and sequence control PA-CONTROL Touch.

Due to the currently very tense situation on the electronic components market, more and more supplier components of this product are no longer available. We must therefore inform you that the product PA-CONTROL Touch incl. the following supplementary products will be discontinued due to this situation.

In order to be able to guarantee sufficient spare parts availability, the following products can still be ordered from IEF-Werner until September 30th, 2022.

- PA-CONTROL Touch 35 (TG1002118)
- PA-CONTROL Touch 70 (TG1002118)
- PA-CONTROL Touch 105 (TG1002118)

- Touch-Screen TP35AM (TG1001567)
- Touch-Screen TP57AM (TG1001567)
- Touch-Screen TP57AT (TG1001567)
- Touch-Screen TP70AT (TG1001567)
- Touch-Screen TP104AT (TG1001567)
- Touch-Screen TP105AT (TG1001567)

- LE3-80 (1121320)
- LE8-80 (1121321)

- NT5-80 (1126072)

Please find enclosed a detailed description of the discontinuation procedure.

Furthermore, we take this letter as an opportunity to inform you that there will be no successor device within the product family PA-CONTROL for the product PA-CONTROL Touch.

In order to provide our customers with the best possible support for the integration of our handling components into customer applications, we have decided to focus on the adaptation of our servo amplifiers LV-servoTEC S2-FS to different control platforms and to further expand our range of supporting information, parameter files and sample programs.

If you have any further questions or require further information, please do not hesitate to contact us.

Please get in touch with your known contact person at IEF-Werner.
