IEF-Werner participates in sponsored run of the Robert-Gerwig-School in Furtwangen:

Run for a good cause

The Robert-Gerwig-School organised a sponsored run for the Ukraine Aid of the City of Furtwangen to support the refugees and those in need. IEF-Werner GmbH also participated with a donation of 855 euros.

According to the UN, the number of refugees from Ukraine has now exceeded the three million mark. And the people who are still in the country fear for their lives every day. Many have lost their homes - and people close to them. To support the Ukraine Aid of the City of Furtwangen, the Robert Gerwig School spontaneously organised a sponsored run on March 17 in the city centre. Two commercial trainees from IEF-Werner took part. Together with the other pupils, they symbolically ran for the donated amount.

The automation specialist supported the event and made a contribution itself. In addition, there were numerous donations from the employees. All the money collected went in full to the people from Ukraine to help them in these difficult times.
